WETASKIWIN MAN PLEADS GUILTY TO CHECK FRAUDS

Acting on instructions from the Edmonton police, G. D. Anderson, alias George D. Martin, aged 35, who is described as a male nurse and a recent resident of Wetaskiwin, was arrested Wednesday afternoon by Chief Constable Waterson of Camrose and was taken to Edmonton to face two or more charges of passing worthless cheques.

Information against the accused was laid by J. E. Bagley, of Bessey & Bagley, and by A. G. Barton. In the case of Bagley, he says that he met the man in Wetaskiwin some time ago and on the 2nd of April he asked him to cash a cheque for \$31.50, which he did. It was drawn on the Bank of Montreal at Wetaskiwin but was turned down by the bank. In the case of Barton he cashed a cheque for \$50 on the Royal Bank at Regina which was also refused when it reached that bank.

"I would sooner go to the penitentiary for three years than the Lethbridge jail for six months," said Gordon D. Anderson, male nurse, to Magistrate Primrose in the police court on Saturday morning, after pleading guilty to three charges of check frauds. Asked if he was fully aware of what he was saying, Anderson answered in the affirmative and stated that he had just concluded a six months' sentence in the provincial jail at Lethbridge. Anderson added that he was making the request for his own benefit as he thought the penitentiary term would do him good. He was sentenced to a term of two and a half years in the penitentiary at Prince Albert—Journal.

SURPRISE TO MRS. F. J. KLAAS

A surprise farewell party was given to Mrs. F. J. Klaas at her home on Wednesday April 8th, by a number of neighbors of the district. Mrs. Klaas is leaving for Dunsmuir, California, about April 20, for the benefit of her health. The following letter of farewell was read during the evening:

"Your neighbors and friends of this community have joined together in wishing you a fond farewell. During your stay in this district each and all of us have many kindnesses for which to thank you, and we are losing a friend with which it is very hard to part.

We wish to extend our heart-felt sympathy for you in your illness which is causing you to part from us and we all sincerely wish that in a different climate your former good health will return to you.

"Your friends wish always to be remembered to you and are joining together in wishing you a return of the sunshine which you have scattered among us, during your life here."

JOBLESS READY TO GO TO JAIL SAYS BOULTER

Calgary, April 6.—Calgary unemployed are willing to face acting Mayor T. H. Crawford's "work or jail" threat and will go to jail rather than take part in the lowering of the working man's standard of living by accepting jobs at the rate of pay of \$1 a day. This was the emphatic utterance of A. J. Boulter, president of the provincial council of unemployed, when he delivered a slashing attack upon government labor barons and the attitude of the provincial government on the unemployed question at the regular meeting of the trades and labor council last night.

COUNTERFEIT BILLS TAKEN IN CALGARY

Calgary, April 3.—Counterfeit one hundred dollar bills have invaded Calgary. Seven or eight of the cleverly executed banknotes of the Imperial Bank, believed to have been manufactured in Persia, have been presented to the Calgary branch of the Imperial Bank and sent to Toronto, where they have been proven as bogus.

TENNIS MEETING

The annual meeting of the Wetaskiwin Tennis Club will be held on the second floor of the Alexandra school, Monday, April 20th, at eight p.m. All interested are invited to attend.

Look at the label on your paper.

EVERYTHING IN GOOD CONDITION AT CITY HOSPITAL

Matron's Report and Other General Business at Monthly Meeting

Proposition to Purchase the Hospital Building is Explained by Mayor

The regular meeting of the hospital board was held on Wednesday evening of last week with Ald. B. M. Parker acting as chairman.

After the reading and adoption of the minutes of the previous meeting, a letter was read from Chairman Curt Smith, who was on route overseas. The secretary was instructed to send suitable reply.

Miss Goodspeed, matron, presented her report for March, showing that 23 patients had been admitted, with 11 operations, total revenue from patients being \$472.50 number of hospital days, 121.

The application of Nurse Hibbard for her annual holiday was granted. Accounts to the amount of \$683.80 were passed for payment. The receipts for March were \$571.75.

The chairman's report on cost of operation was read, showing the average cost per meal of 26.13 cents.

The visiting committees reported that everything was in good condition. Mrs. Dickson and Coun. R. Bailhorn were appointed the visiting committee for April.

Mayor Montgomery reported on the interview with the owners of the building and the question of purchasing the hospital building or renewing the lease, and explained the offer made by Messrs. Loughheed & Taylor.

GOLFIS

During the past three or four years the Canadian public has gone crazy over golf. Every little hamlet and village has its golf course, even if it is only the place where Dossie used to roam. The fact remains, however, that golf has come in strong, and is here to flourish. Our amateur season is particularly adapted to the playing of golf—long summer evenings; cool invigorating mornings, and green turf the season through. To the uninitiated, golf is the most foolish of games, as some say "Swat the ball, then chase it a mile," but take it from a beginner who knows, the sensation received from a long drive will repay you, and you are very pleased to see the ball sailing into the beyond. If you want to have what you think is a "foolish game" turn the tables on you, and finally give you the "bug" just try a round of golf.

Up until this year, the Wetaskiwin golfers have played on the so-called cow pasture variety of golf course, having used some vacant land closely adjacent to the city. Some of these men realized last year that the old place would never do, and they began to look for a better place, and anticipating the fact that land suitable for a golf course would soon be very scarce, purchased eighty acres of land one mile from the city. This land was chosen after making a tour of inspection of all suitable properties, and now Wetaskiwin has a golf course equal to any in the province. A. Critchenden, provincial champion, and recently professional of the Mayfair Golf Club, Edmonton, is authority for this statement, and those in charge should be highly complimented on carrying through this project, which will in a few years be one of Wetaskiwin's most used utilities.

Extensive improvements, necessary to make pleasant golfing, was done last year, and this work is now being rushed to completion by a staff of men and teams under the capable management of C. B. McMurdo, so that everything will be ready to play on a real golf course in Wetaskiwin.

The organization meeting of the club is being held in the Women's Institute building on Friday evening, April 17, at 8 o'clock sharp. All those interested, and especially the "ladies" are asked to do their utmost to be present, so that Wetaskiwin will have a banner year of golf.

Mr. and Mrs. H. W. Wright spent the holiday weekend with relatives in Edmonton.

ANGUS THEATRE CHANGES HANDS

An important business deal was put through a few days ago, when F. L. Dunphy disposed of the Angus Theatre to Mr. R. J. Grant, recently of Vancouver, B.C. Mr. Grant takes possession on Monday next and will open with the feature play "The Thundering Herd." Mr. Dunphy has not made any definite plans for the future, but it is hoped that he will not be leaving the city. Mr. Grant is a theatre man of long experience, and we believe for him success in his management of the Angus.

PROVINCE AND DOMINION GET LION'S SHARE BEER PROFITS

Edmonton, April 9.—The provincial and Dominion governments get the lion's share of beer profits in Alberta figures produced by R. J. Dinning, liquor commissioner, and various brewery managers, demonstrated this morning to the public accounts committee of the legislature.

So soon as this fact was established the members of the committee drifted out one by one. As no quorum remained, the chairman announced he would call another meeting and the committee adjourned without making any report or recommendation.

Some surprising facts were advanced in the testimony. In tabloid form the salient ones are as follows:

By Commissioner Dinning: That whereas the province of Alberta had made \$1,020,000 net on sale of both beer and hard liquor from May to December 31, 1924, the Dominion government made \$1,377,741 in taxes and duties on the sale of the same liquor, that whereas, on the sale of beer alone the province made \$285,469 on the beer gallonage tax, and another \$7,500 on brewery licenses, or a total of \$292,969 on beer produced.

On the same amount of beer produced the Dominion government collected the same gallonage tax of \$285,469, and in addition also collected \$100,084 in sales tax on beer and \$151,000 in taxes on the malt used in beer; a total revenue to the Dominion of \$536,553 from beer sales alone. In addition the Dominion government took \$892,741 in revenue on the sale of hard liquor in Alberta.

TOWN TOPICS

Miss Grant of Edmonton was visiting at the home of her sister, Mrs. J. W. Somers, over the week-end.

The ladies of the Methodist church will hold a bazaar and "Sonnet Tea" on May 2nd. Further announcement later.

Messrs. Roy Bailhorn and George Waterson were at Edmonton this week attending the Spring Stock Show and Sale.

The ticket sale indicates a bumper home when a local cast presents "Martha Made Over" in the Methodist church tonight.

The friends of J. S. Watson are pleased to see him around again, after being imposed for a few days on account of poison in one of his feet.

J. J. Ambler met with a painful accident on Wednesday last week when he was kicked by a cow he was milking. He has a couple of ribs broken.

The W.A. of Immanuel Church are giving a May Day Masquerade for children at the Parish Hall. Prizes will be given and admission is 25 cents. Watch for particulars later.

Miss Vera Lawson, a member of the Stettler teaching staff, and Miss Olive Lawson, who is attending the Mount Royal College, are visiting their parents, Mr. and Mrs. Thos. Lawson, this week.

Mr. and Mrs. G. A. Ferguson, who spent the winter at Los Angeles, Cal., returned to the Wetaskiwin district on Tuesday. They had a delightful time in the south, and a pleasant trip both going and coming.

The sacred cantata, "The Challenge of the Cross" was given in the Methodist church Sunday evening by Miss Brink's class of young ladies. The building was packed to the doors, and the service was very impressive throughout, as those taking part in their work well.

OBITUARY

ALEXANDER K. SCOTT

By one of the old-timers of the district are being removed by the hand of death. On Sunday last, Alexander Keith Scott, who has been gradually sinking for some time, passed away at the advanced age of seventy-six years and six months. He was born in Scotland, but came to Canada as a young man, and resided in different parts of the east, until twenty-one years ago when he came to Alberta and located on a homestead, at Scottdale, northwest of the city. He was a contractor and builder by trade and was awarded the contract for the Alexandra school building.

His wife pre-deceased him twenty years ago, and he leaves a family of five, namely, James, who is in charge of the A.P.P. detachment at Medicine Hat; Richard, of Edmonton; Victor, of Patience; Harry at Millet, and Mrs. Howard Morris, of Wetaskiwin.

The funeral took place from Moore's Undertaking Parlor, Thursday afternoon, when a large number of friends assembled to pay their last tribute of respect to the departed. The interment was in the family plot at the Wetaskiwin cemetery.

REPORT OF THE PUBLIC SCHOOLS

Report for the period ending April 9th, 1925. Names of students arranged in order of marks.

KING EDWARD SCHOOL

Room 1
Grade III—Walter Chapman 84, Julia Hagen 82, Wm. Shaw 74, Peter Brookfield 73, Sylvester Shaw 75, Annie Pederson 74, Alice Westermarck 70, Wm. Pederson 49.

Grade IV—Laurie Johnson 91, Betty Westermarck 89, Florence Condie 85, Ethel Shaw 82, G. Hagen 76, Lymor Nelson 75, George Postcott 51, Bernard Pederson 47, Louie Nelson 45, Harvey Felling 38.

Grade V—Dorothy Meredith 93, Mildred Olson 79, June Bradenburgh 59, Orlie Bay 75, Inga Smith 74, Fred Kolody 70, Gordon Seimundson 55, James Chapman 48, Irene Shaw 46, Myrtle Ambler, 32—M. J. Kettle, teacher.

Room 2

Grade VI—Ethel Johnson 77, Rhoda Cook 74, Bertha Lakkien 67, Thoralf Postvret, 67.3, Gordon Bay 66, Elizabeth Knack 65.4, Edward Schumacher 65, Phyllis Williams 62, Gordon Scott 60, Joe Ronnie 58, Elva Swanson 56, Francis Meredith 51, Meredith Jernae 46, George Bragden 42.

Grade IV—Martha Nelson 76, Hildegard Bystrom 74, Norman Scott 72, Cora Pederson 70, Thelma Nelson 66.4, Stanley Shaw 65, Henry Ambler 61, Alfred Hagen 60.4, Ernest Felling, 52, Roy Felling 44, Willie Bay, 42.3, Leonard Shaw 21—A. Alexander, teacher.

Room 3

Grade VI—Barbara Lund 82, Ethel Barnett 82, Bob Farnham 81, Betty Dickson 77, Murray Davidson 76, Owen Cleland 76, Arnold Ellis 75, Anne Thomsen 74, Jackson, 69.7, Charles Spencer 72, Vada Churchill 72, Florence French 72, Lillian Broadbent 72, Florence Radomski 70, Laura Walker 69, Kathryn Walker 66, Mary Dixon 63, Laura Radomski 62, Gordon East 61, Reid Wagner 58, Robert Wagner 57, Frank Pedersen 53, Rudolph Kierf 51, Elsie Knall 46, Vera Starkey 44, Paul Enfinger 44, Gordon Scott 44, Raymond Bailey 33, Budd Ripplin 33, Dollie Bowles 33, Jim Ripplin 24—A. Munn, teacher.

Room 4

Grade VII—Kathleen Orr 85.86, Maude Robertson 83.54, Gladys Moore 82.95, Flora Stewart 80.54, Doris Baker 80.32, Iona Hanson 79.57, Phyllis Bedford 79.44, Reta Moore 78.59, Emma Pelland 76.35, James Montgomery 73.41, Bernice Weir 73.08, George Tompkins 72.4, Norma Johnson 71.56, Kathleen Kellow 71, Edna Wadsworth 70.72, Lara Lykken 69.52, Rosa Littman 68.97, Pearl Bell 67.45, Vivian Churchill 67.31, Jean Taylor 67.08, Anne Gibson 65.96, Reuben Nyström 65.67, Henry Haas 64.53, Thelma Johnson 63.5, Myrtle Spencer 62.94, Harrison Burdick 62.4, Marie Robinson 60.95, Robert Schneek 59.17, Charlie Wudel 56.35, James Paton 48.13, Roy Liverdahl 39.4—M. Violet Ingile, teacher.

ALEXANDRA SCHOOL

Room 5
Grade I—(Over 750)—Audrey Neal, (Continued on last page)

KIWANIS DANCE VERY SUCCESSFUL

The dance given on Easter Monday evening under the auspices of the Kiwanis Club was one of the best ever held in the city. A very happy crowd kept up the movement until a late hour, and even then those who remained for the last dance were reluctant to depart. The music was furnished by the Harmony Four orchestra and was excellent. Over \$100 net was raised as a nucleus for the memorial park and swimming pool fund.

Local Organizations Welcome New Settler

Mr. and Mrs. E. F. Loader and four children arrived in Wetaskiwin from the old country last Thursday morning to take over a farm in the district under the Empire Settlement scheme, and were welcomed on arrival by Mr. Strachan, field supervisor of the Watson's Institute, and Mr. and Mrs. Rubra and Williamson, representing the Peace Hill Chapter of the Imperial Daughters of the Empire. The ladies of the organizations named very thoughtfully supplied a hamper containing food stuffs, thereby saving Mr. and Mrs. Loader much of the inconvenience encountered by a new settler, unfamiliar with conditions over the first day or two while they are acclimating themselves to their new home. This act of kindness was very much appreciated. Mr. and Mrs. Loader and family were driven out to their farm during the forenoon by Capt. Geoffrey Baker, in whose vicinity they have located.

WEDDING

EIKERMAN — JOHNS

A quiet marriage was solemnized at the Methodist parsonage, Wetaskiwin on Wednesday, April 8, when Annie May Johns was united in wedlock to Mr. William Francis Eikerman, both of the Duhamel district. The Rev. W. H. Irwin officiated.

TOWN TOPICS

The schools in the city will re-open after the holidays on Monday morning next.

Mrs. Cobbledick came up from Calgary last week to spend some time visiting her daughter, Mrs. T. B. Stevenson.

The Knox Church Girls' Mission Band are planning to hold a Carnation Tea and Sale on May 9, the Saturday before Mother's Day.

The Norwegian Lutheran Ladies' Aid will meet at the home of Mrs. E. E. Ness, at two o'clock on Friday afternoon. All are welcome.

The many friends of Chas. Nelles will be glad to learn that word has been received from Rochester that he is doing nicely.

The Mission Friends Ladies' Aid will meet at the home of Mrs. H. Noyed on Friday, April 24th, at 3 o'clock in the afternoon. All are invited.

The schools in the city are closed for the Easter vacation and the teachers are in attendance at the convention being held in Edmonton this week.

Miss West, the organizing nurse of the Alberta division of the Red Cross Society, will give an address to the ladies of Wetaskiwin and district in the Women's Institute rooms, on Thursday afternoon, April 16 at 3:30.

The young people of the Brightview area are giving a lantern slide lecture at the church on Friday evening, April 24, at eight o'clock. Proceeds for the organ fund. Admission, adults 25c, children 15c. Everybody welcome.

Mr. and Mrs. F. B. Watson and Mr. and Mrs. A. E. Wynne went to Edmonton on Sunday last to attend the funeral of the late Thos. Wilson, who was an officer in the Masonic Grand Lodge, and a Past Patron of the Grand Chapter of the Order of the Eastern Star.

MR. WRIGHT GIVES GOOD ADDRESS ON BETTER HIGHWAYS

Road and Mountain Scenery Shown by Means of Lantern Slides

Roads will be Marked this Year Throughout all Central Alberta

The Kiwanis Club had a very interesting time at their luncheon Tuesday evening, when the speaker was Mr. Wright of the Edmonton Auto and Good Roads Association. He illustrated his remarks with lantern slides, showing the improvement which had been made to the highway from Edmonton to Jasper, and some excellent mountain scenes taken at Jasper Park. He said it was the intention of the association to mark every highway from Red Deer on the south to as far north as there was an auto road, and from the Saskatchewan boundary right through to the west. Pamphlets had been issued with the view of attracting the tourist, and when they passed through the province and saw the possibilities of the country, many of them would probably make investment or settle. Good roads are essential for the development of the country in every shape and form.

Sample signs, which would mark the roads at Edmonton and other places in the province, were displayed on the walls. Mr. Wright advised every town to establish an auto camp and interest the tourist in other ways so he would stay in the community as long as possible. The longer he stayed the more money he would spend. It was estimated that there were 17,000 tourists in the United States last year, which of course, means big trade, and many of these would pass through Calgary.

Mr. Wright was in the city on Monday on to Jasper Park after the road was put in good shape for auto travel. He urged every citizen to get behind the good road movement, and help the country to get in a better condition. He stated that the road to Jasper would be completed this summer without a doubt, as it was almost finished now, and there was only one bridge to put in, and the timbers are ready for it.

In January last \$273,000 were received from the government at Ottawa on account of the good roads built in Alberta last year. Mr. Wright concluded a very interesting address by stating that he expected to come to Wetaskiwin shortly for the purpose of organizing a section of the Auto and Good Roads Association.

Kiwanian L. H. Newville was the chairman of the evening, and the committee reported that over \$100 had been raised by the dance to start the memorial park and swimming pool fund.

THE TIMES OFFICE
IMPROVES PLANT

A few days ago The Times added considerable new type and material to its commercial printing department which will enable us to give our customers even better service than was previously possible. We can now use the latest type faces on any commercial printing desired by our patrons, and the price will be no higher than paid for inferior quality work. Consult us about your next order, as we will meet any reasonable competition.

BORN

ANGUS—At the Wetaskiwin hospital, on the 15th inst., to Mr. and Mrs. H. G. Angus, a daughter (stillborn).

HAY—At Battle River, on the 13th inst., to Mr. and Mrs. Henry Hay, twin sons.

MAYGARD—In Wetaskiwin, on the 13th inst., to Mr. and Mrs. Elmer Maygard, a daughter.

COUTLAND—At Los Angeles, Cal., on January 14, to Mr. and Mrs. J. W. Coupland, a daughter.

CURRIKIN—At Hammond, Oregon, on January 31, to Mr. and Mrs. E. Currikin, (nee Margaret Coupland) a son.

Levi Chandler, who is teaching near Stettler, spent a few days with his parents this week, on his way to the convention.

"SMILIN' THROUGH" IS WELL RECEIVED

The theatre goers who attended the performance of "Smilin' Through" at the Angus Theatre on Tuesday evening, had a very enjoyable entertainment, as it was a bright, attractive play, and was well rendered. The cast was well balanced and every performer interpreted the part in a very capable and sympathetic manner. The following was the cast of characters:

John Carter—Eugene C. Davis
Dr. Owen Harding—Wilfred Weiss
Ellen—Alma Magon
Kathleen Dunganon—Maxine McLeay
Willie Ainley—Maurice Sanderson.

Kenneth Wayne—T. W. Dalkin
Jermiah Wayne—T. W. Dalkin
Moonen Clark—Maxine McLeay
Messrs. E. C. Davis and T. W. Dalkin, who have presented plays here for several years, have won a warm place in the hearts of Wetaskiwin theatre-goers, and can be assured of good houses for any future attractions they bring here.

PIPESTONE CREEK RISES

The water in the Pipestone creek rose quickly last week and threatened to do considerable damage to bridges, etc. The piers of some of the bridges have been damaged, but the water has receded, and it is thought the danger from damage has passed. None of the bridges were washed out.

"MARTHA MADE OVER"

Much interest is being evidenced in the play to be presented by a company of local artists in the Methodist church this (Thursday) evening.

"Martha Made Over" a play written by Mrs. Anderson of Ottawa is one of strong human interest, being a modern setting of the text "Martha was cumbered about much service."

Master Clare Williamson will render a musical selection between acts 4 and 5.

SCHOOL BOARD MEETING

The monthly meeting of the public school board was held on Thursday evening last, with a full attendance of members. There was no special business before the board, and when a few communications were disposed of and accounts to the amount of \$258.75 were passed, the meeting adjourned.

SUPREME COURT SITTINGS

Sittings of the supreme court are being held at the court house here this week, with His Honor Mr. Justice Walsh presiding. There are four cases on the docket. The first case had not been disposed of at time of going to press, and we will give a complete report of the sittings next week.

DR. TORY DETAILED HIS INVESTIGATIONS RURAL CREDIT PLAN

Government assistance to the new
livestock, egg and dairy pools in Al-
berta will be given in the form of a
\$15,000 loan. If a recommendation of
the legislature's agricultural commit-
tee is adopted, the committee will
on record at its session in favor of
such aid, which will be for the pur-
pose of covering the initial organiza-
tion expenses of the three coopera-
tive marketing schemes.

Rural credits filled up the balance
of the sitting, with a detailed state-
ment by Dr. H. M. Tory on his
work as investigator for the Domini-
on government into the question of
better money borrowing facilities for
Canadian farmers.

Some permanent machinery to
meet this need will be the only satis-
fying solution of the present prob-
lem, declared Dr. Tory, and what he
advocated as the best method is a
joint arrangement between the pro-
vincial and dominion governments by
which the latter will purchase pro-
vincial securities, the funds to be
administered through local boards and
credit organizations and in whose
hands the making and controlling of
plan would be much better suited to
conditions in this country, thought
Dr. Tory, than the United States
farm loan board, which is sound and
efficient, but only workable in a
large population.

It was the speaker's belief that
the short-term loan in Canada must
go and the long term loan take its
place. Administration costs in the
west particularly are unavoidably
high, and the only way of meeting
them is to develop the local organiza-
tions. For the intermediate credit
on long-term loans a further develop-
ment of the existing cooperative so-
cieties was recommended, with the
formation of provincial banks as a
last resort, that will continue open if
the necessity arises.

That it costs more to establish a
man in the agricultural industry on
a profitable basis than in other in-
dustries, or in the professions was
the striking statement made by Dr.
Tory, in speaking of the difficulties
confronting modern farmers, and
some effective means of meeting
them must be found. The only way
to obtain credit is to have a sound
basis. The legislation along this line
has had a psychological effect rather
than an actual effect on the security,
but a restoration of good-will is
essential.

In the main, said Dr. Tory, pri-
orities should be done away with and
the industry brought back to a sound
basis. The legislation along this line
has had a psychological effect rather
than an actual effect on the security,
but a restoration of good-will is
essential.

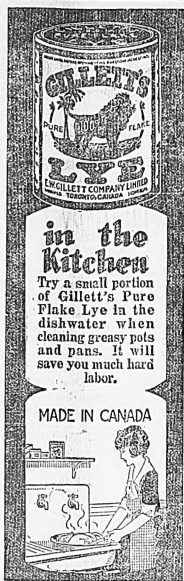

FINANCING WITHOUT HELP
Last year 68 municipalities in Al-
berta financed their business without
having to borrow money, and out of
the total of 169 municipal districts in
the province, only eight have out-
standing debenture indebtedness, and
a number at the end of 1924 showed
a considerable cash surplus. Of the
101 districts that borrowed money for
the year's operations all but 28 re-
paid the borrowings before the close
of the year, and all districts met de-
benture payments that became due.

A HELPFUL MAP OF ALBERTA

It is surprising the amount of infor-
mation that can be conveyed by a map
and that too, in a few moments. What
would take hours of reading to obtain
from a book can be secured from a
good map in a glance or two. This
fact is the reason for the importance
of maps for the department of the
interior at Ottawa under the direction
of Hon. Charles Stewart, the minister.
It is called the "Land Map of South-
ern Alberta" although the word
"southern" in the title is in need of
some explanation. Alberta is larger
than is commonly thought, the ten-
dency being to leave out of considera-
tion the less known north half. This
map portrays the province from the
United States boundary to about 200
miles north of Edmonton.

ENGLISH GIRLS TO RUN THEIR OWN RANCHES

Winnipeg, April 11—"I am very
hopeful that my scheme for bringing
out old country girls of a good class,
with a little money, and placing them
on Western Canada farms, will suc-

terialize, and I must admit that dur-
ing my short stay in England I have
received numerous applications from
girls of this type who are only too
willing to have a try at farming in
Western Canada on their own account.
This statement was made here by
Miss P. Carlyle, English authoress,

Provincial Weekly News Bulletin

Session Adjourns
The session of the Alberta legisla-
ture which has been in progress since
the latter part of February, adjourned
on Good Friday evening (11) some time
in June or later, to meet again to
deal with the northern railway situa-
tion according to the agreement which
is to be made between the two trans-
continental railway companies re-
garding the operation of the line into
the Peace River country and its ex-
tension through to give connection
with lines to Tidewater. Several bills
were also left over for consideration
at the adjourned session. Sixty-five
bills were given assent to.
Colonizing Lethbridge Northern Land
Before adjournment on Good Fri-
day, the legislature gave assent to
the legislation which gives effect to
the re-organization of the Lethbridge
Northern irrigation tract for coloniza-
tion purposes. The bill as passed
seeks to make available some 70,000
or 80,000 irrigable lands for coloniza-
tion at very low terms.

who owns and runs a ranch of 800
acres near Calgary and who has just
returned from a short holiday in the
old country, where she has found many
girls who are quite willing to follow
Miss Carlyle's footsteps.

"The girls themselves are willing to
come out and take up and work the
farms of their own here," said Miss
Carlyle, who seems keen on the idea.
"I came out last year and, having got
used to farming conditions, bought
an 800 acre ranch, 17 miles from Cal-
gary, and harvested 7,000 bushels from
the 350 acres under wheat. There are
any number of the girls of my ac-
quaintance who could have done the
same. Until I got outside assistance
my idea is to bring out annually six
girls and train them on my farm un-
til they are fit to manage farms of
their own. I am not out to make
money out of the scheme and only in-
tend to charge the girls for their food."

MEMBERSHIP DRIVE FOR ALBERTA POOLS

Plans for a vigorous and concen-
trated campaign to secure mem-
berships among the farmers of Alberta,
for the Dairy, Livestock and Poultry
pools now in process of organization,
were formulated at a series of meet-
ings held at Edmonton last week.
The dates for this drive have been
set for the period from June 8th to
25th next, and the whole province
will be covered by the campaign to
secure signatures to the contracts for
these new cooperative marketing
pools.

The meetings culminated Wednes-
day afternoon in a conference held
between members of the boards of the
three pools and representatives of
the press, when a full discussion took
place over the plans for the publicity
drive which will accompany the drive
for membership.

On Monday and Tuesday, members
of the board of the provincial dairy
pool met with the directors of the
Central Alberta Dairy Producers As-
sociation of Alx. when the relation-
ship between the two pools were dis-
cussed. It was finally decided that
there would be a joint contract, and
that the Alx pool would market all
of the produce received by them
through the selling agency of the
provincial pool.

On Tuesday afternoon a joint meet-
ing of the full boards of the three
provincial pools was held, when the
dates for the drive for memberships
was settled as for June 8th to 25th.
It has been found that during the win-
ter the rural conditions were such
that it was impossible to cover suf-
ficient territory in a drive for mem-
berships, therefore the early summer

WRIGLEY'S

Refreshing and beneficial!

Hebribeans for Vermilion
One hundred families of Hebridean
settlers for the Vermilion district are
expected to arrive in Alberta during
the latter part of May.

Antelope Increasing
There are now 235 antelope confined
in the Nemiskam Park, in southern
Alberta, which is an increase of 183
since 1915. When the park was es-
tablished the antelope were nearly
extinct in Alberta.

British Boys Anxious to Come
Many applications are being received
by the Overseas Settlement Board
from British youths who are anxious
to come to Alberta to learn agricul-
ture under the Handley scheme. Dur-
ing the winter season just closed
some sixty young men were trained at
the Vermilion school of agriculture
under this scheme. Next season it is
planned to distribute the young men
who may come among the three
schools of agriculture at Vermilion,
Olds and Claresholm.

was decided upon. Over 400
meetings were held during the win-
ter, however, and in no case was the
audience unsympathetic, and at all
points canvassing committees were
set up. Some 1000 canvassers are
now ready with full information and
copies of contracts, so that there will
be no delay when the concentrated
drive starts in June.

POULTRYMEN, ATTENTION!

WE ARE PUTTING ON A COMPETITION IN WHICH YOU CAN
ALL JOIN!

COMPETITION COMMENCES, MONDAY, 13th

We will give a prize each week to some Customer bringing
or sending us eggs. We will change the competition from time
to time, but the first week's prize will go to whoever sells us eggs
with the greatest percentage of "Extras". This does not mean
the most eggs, but the Best Eggs, and the Customer with Ten
Dosen has just as good a chance to win as the one with a case or
two.

Watch this space. The winner's name will be published each
week, and at the end of June a Special Prize will be given to the
winner of the most prizes.

Swat the Deadly
House Fly Now

The common house fly has been described as the worst murderer in the world. A single fly is capable of bringing about the death of more human beings in a single season than have succumbed from the beginning of history to the depredations of all the denizens of all the jungles on earth. Consider a few biological facts.

A female fly lays 120 eggs which hatch in eight hours. At least half of these eggs produce female flies. After twenty days each of these 60 female flies will be laying 120 eggs. After another 20 days 3,600 female flies, all owning the same grandmother, will be laying 120 eggs apiece. This process of reproduction continues through the spring and summer.

A fly that escapes the swatter in April will task the mathematician to count its progeny in September. Consider also these facts. A single fly sometimes carries as many as 6,000,000 disease carrying bacteria, according to the Minneapolis Journal. This has been proved by scientists who have washed a captured fly in a bottle of water and then put a millimetre part of the water under a powerful microscope. They found six germs. A million times that number of germs was on the body of the fly when it was captured. One female fly alive on April 1st is the potential ancestor of 6,000,000,000,000 September flies. Allowing an average of a million bacteria to each September fly, an April fly may be responsible for bringing 6,000,000,000,000,000 disease germs into the house next autumn.

DID YOU EVER STOP TO THINK

That the home city is a man's opportunity. He should help to boost it?

That to some cities, an era of prosperity seems "just around the corner"?

That some of them will catch it and be crowned by success, judging by the energy and enthusiasm displayed by their citizens?

That the cities that are so shining spots on the map, are the ones whose entire citizenship work tirelessly to words that end?

That live cities are full of boosters. Boosters are fellows who know the truth when they see it, and get busy and let the other fellows know it?

That a boosting spirit makes the fellows who can do things, get busy and get out and do them?

That a live city generally has a few knuckers, but the people generally think the way the boosters think?

That boosters get going and keep going. Every new booster is a new unit that can be used in building of a city.

That every dollar invested in the home city means a new dollar enlisted in the service of a city.

Wide-awake people who realize the possibilities of the home city usually benefit by that knowledge?

These people who think it can be done should look around. They would see some other city doing it?—E. R. Walte, secy, Shawnee, Okla., Board of Commerce.

\$500.00 GRANT TO
EACH TEACHER
RURAL SCHOOL

An additional grant of \$500 yearly to each teacher in a rural school; special assistance to schools in pioneer districts; and the possibility of paying rural pupils' fees to high schools, were among the highlights to be derived from a change in the system of levying the Educational Tax act, as given in a bill for which Hon. Perren Baker, minister of education, moved for second reading in the Alberta legislature Thursday.

Mr. Baker outlined his scheme fully to the recent teachers' convention at Calgary and informed the house that he did not intend to press the bill at this sitting of the house, but would prefer to leave it in second reading until the adjourned session this year.

Briefly, the bill proposes to levy a flat rate of three mills on an assessed 100,000,000 as assessable lands in all rural school districts in the province. From the \$1,800,000 thus received, it was proposed to pay a special grant of \$500 to each rural school district

for each teacher employed, in addition to the regular grant.

There would be enough left to provide special assistance to pioneer districts having difficulty in financing, and in addition, the minister hoped to be able to pay high school fees of rural pupils to city high schools.

The proposal was received with considerable enthusiasm by the house, the minister urging that the time had come when every ratepayer must recognize his liability to see that education up to grade eight was provided for every child in the province.

WHITE SHIRTS

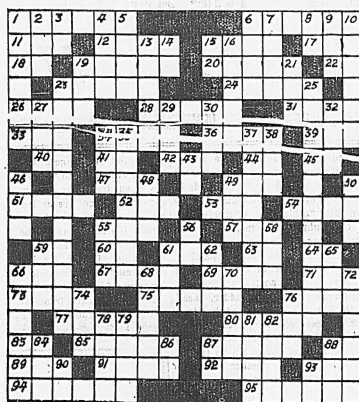

I view my neighbors thirty with something like despair; their hands are never dirty, no hay is in their hair. They're always neatly laundered, they're always spick and span; as, chee, how far we've wandered from the ancestral plain! When we old boys were facing life's problems, long ago, we did not think of chasing down easy roads for dough. Then we heard his weapons clank, and of

were told successes by honest toil were made, by struggles, strains and stress, and we must learn a trade. And one became a weaver who watched his warp and wool; and one would swing a cleaver beneath the butcher's roof. One took up fancy plumbing, ten saw him coming with bottle to the bank. And one was shoeing horses to fill his grimy purse, and one was planting corpses and owned the village hearse. We all learned something useful, some trade on which to lean and gather a caboose full of banknotes long and green. And if we left the legions of laborers in time, to walk in white shirt regions where no one's decked with grime, it always was a blessing to know we had a trade; if fortune proved distressing, we'd wield a saw or spade. Alas, my nephews thirty in sticky jobs are found; at soda fountains squirts they pass the limes round; they do not plow the prairies or shoe the kicking mare; they're selling pink canaries and lotions for the hair. They have no trades behind them, which they'll regret, I wist, what time the gods shall grind them as millers grind their grist.—Walt Mason.

Cross-Word Puzzle No. 7

SUGGESTIONS FOR SOLVING CROSS-WORD PUZZLES

Start out by filling in the words of which you feel reasonably sure. These will give you a clue to other words crossing them, and they in turn to still others. A letter belongs in each white space, words starting at the numbered squares and running either horizontally or vertically, or both.

KEY TO CROSS-WORD PUZZLE

- | | |
|--|--|
| Horizontal | Vertical |
| 1 Gentle, not tough. | 1 Curer of leather. |
| 2 To mount or climb by | 2 Boy's name. |
| 3 A girl's name | 3 A continent (ab.) |
| 4 Finished. | 4 Famous garden |
| 5 Kind of voice | 5 Made from hemp fibre. |
| 6 Without | 6 To mix |
| 7 U.S. state (ab.) | 7 Ripped. |
| 8 Where all the trains stop. | 8 Not out. |
| 9 Scotch name for baby | 9 Decay. |
| 10 Infant's way of expressing thanks. | 10 To catch animals with (pl.) |
| 11 Narrow passages | 12 Prominent feature (pl. personal) |
| 12 Witnessed only during sleep | 14 French conjunction. |
| 13 Exclamation. | 15 A seaman. (ab.) |
| 14 To make invisible, or rub out. | 16 Full. |
| 15 Something told | 19 Parental name. |
| 16 Motor Association, English (ab.) | 21 National (ab.) |
| 17 Done by | 22 To answer or talk in a very off-hand way. |
| 18 For holding ice cream (backwards) | 25 Great in mind, brave. |
| 19 Used for cooking and illuminating. | 27 Slang for revolver. |
| 20 Conjunction. | 29 To soak in water to separate fibre. |
| 21 Third person. | 30 Firm, solid. |
| 22 A small child. | 32 Room for chemical research (ab.) |
| 23 Jumbled type. | 34 Deep hole. |
| 24 Arf for "note following" (ab.) | 35 An empire of bygone days. |
| 25 Toronto Transportation Co. (ab.) | 37 Choices of (pl.) |
| 26 Past tense to be" (Fr.) | 38 Company (Fr. ab.) |
| 27 Used to urge on a horse. | 43 Correct (ab.) |
| 28 Used for flavoring soups, etc. | 46 A pair. |
| 29 One of the Forty Thieves. | 48 111 (Roman) |
| 30 To the end. | 49 Tree. |
| 31 Friend (Fr.) | 50 Single. |
| 32 What one does when cutting grass. | 53 Jewish name. |
| 33 Academic title (ab.) | 56 For example (ab.) |
| 34 University degree. (ab.) | 58 Grief. |
| 35 Days past. | 59 Not cooked. |
| 36 Negative. | 61 A double quadruped. |
| 37 U.S. state (ab.) | 62 Mineral in natural state. |
| 38 Name for a friend. | 65 Yours and mine. |
| 39 Fruit saline. | 66 In your mouth. |
| 40 Sweet smelling flower. | 68 A biscuit made of coarse meal |
| 41 Not in. | 70 Small or aroma. |
| 42 Used by shoemakers. (pl.) | 72 A place of worship |
| 43 Queried. | 74 Covers greater part of world's area. |
| 44 Certain. | 76 Seen on wash day. |
| 45 Used making bread. | 78 Including. |
| 46 Musical term. | 79 To remain. |
| 47 Christian era (ab.) | 80 To go steadily on. |
| 48 To change. | 82 Delicious fruit. |
| 49 Governed. | 84 Not bright. |
| 50 Royal Ranch. | 86 A regiment of mechanics (ab.) |
| 51 Common metal used for making hardware. | 87 A U.S. state (ab.) |
| 52 People who do not go to Assyria. | 88 Long and slippery. |
| 53 Girl's name (Welsh) | 90 An old political policy (ab.) |
| 54 Town in Germany. | 93 A death notice (ab.) |
| 55 To give work. | |
| 56 Action of football player taking ball down the field. | |

"CROSSWORD" DEFINITION

So many people have been inquiring as to cross word puzzles that we are glad to submit the following definition of this fascinating game which has been sent to us:

"The cross word puzzle is an intensively rectangular but essentially heterogeneous concentration of dissimilar similitudes, replete with internal inhibitions, yet promulgating extensive ratiocination and meticulously designed to promote fulminant vituperation, dispel hebeticosity and develop speculative, contemplative, introspective, deliberative and cognitive faculties."

COMMUNICATIONS

(We do not necessarily endorse the sentiments advanced by this or any other correspondent under this heading.—Ed.)

R.R.I. Wetaskiwin

Editor, Wetaskiwin Times:

Dear Sir—Yes, Mr. Hodson is right: we now have a fine way to deal with the liquor question in Alberta—government control—my, but does the government not control well? What is that noise we hear at night when men are coming home with their grain wagons empty and themselves full? Sounds like the music of 1908 or thereabouts. What is that lying beside the road? Nothing but a beer bottle. Why can't that man walk straight down the street? Whow! what a breath he has! Worse than halitosis. Why is that elderly lady afraid to meet men on the road with teams? "Oh," she says, "I don't mind meeting them if they are not drunk, but I'm so afraid they might be drunk and run right into us."

Yes, Mr. Hodson may drink in peace now without fear of being imprisoned or punished in any way by outside help.

What story is this I heard lately? A couple of young girls and their beaux, after having been at the movies, were having a little lunch in one of our local hotels which in prohibition days had been considered "respectable". At one end of the room they heard thick voices arguing. Soon chairs were knocked over and some one was thrown to the floor. The manager of said hotel blazed around trying to quieten things, vainly endeavoring to keep his hotel "respectable". The young couples, after quickly finishing their light repast hurried toward the cashier, the hotel manager flustering after, trying to keep himself between the ladies and the squabble behind him. As the young men were paying the bill the young ladies, as had been their custom, waiting for them near the

Solution of Last Week's
PuzzleHer 5 Children Had
Severe Attacks of
Whooping Cough

This is one of the most dangerous diseases of children, especially to those under five years of age.

It starts with a fever and cough, sneezing, watering of the eyes and an irritation of the throat.

Later the coughing increases, the child becomes livid in the face, the eyes appear as if they would burst from their sockets, and suffocation seems imminent till relief is brought on by the "whoop."

On the first sign of the "whoop" we would advise the use of

Dr. Wood's

Norway Pine

Syrup

Mrs. S. H. Craig, R.R. No. 1, Palmerton, Ont., writes:—"Two years ago, last winter, our five children had very severe attacks of whooping cough."

We were recommended by our druggist to use Dr. Wood's Norway Pine Syrup, which we did with the greatest success. It cleared out the throat and bronchial tubes, and loosened the phlegm so that they were able to cough it up, and in no time I had quenched the "whooping."

"Dr. Wood's" is put up only by The T. Milburn Co., Limited, Toronto, Ontario.

"See That You Get The Genuine!"

FACTS ABOUT TEA SERIES—No. 3

Mountain-Grown Teas Best

The tea plant grows best in the pure cool atmosphere of a mountain tea garden. The higher the garden, the finer and more delicious the flavour of the tea. This is partly due to the clear sunshine on a high mountain side, partly to the more invigorating air, partly to the more frequent rainfall and perfect drainage. The largest and roughest leaf grown at an elevation of 7000 feet is much superior in flavour to the tiniest tip grown only 2000 feet above sea-level. All teas used in the "SALADA" blends are grown from 4000 feet to 7,500 feet elevation. The trademark "SALADA" is a guarantee of quality.

Did You Ever
Stop to Think?

THAT home business institutions that are helping to pay for the maintenance and improvements of the city are entitled to the trade of the people of the home town.

THAT outside business concerns do nothing towards the improvement of the home town.

THAT buying away from home when you can get better service and as good values at home, should be universally discouraged. Every dollar and every activity should be united to make the business of the home town better. Now is the time for us to get busy and make local business better.

THAT everyone of us should take an active and positive stand on all things that go to make local business better.

THAT we all should take a mental inventory and find out how we stand in ability and honesty of purpose and willingness to make Wetaskiwin better and bigger.

THAT no man is a success who only enriches himself. The man is a success who enriches the community.

THAT there is only one town in the world in which to live and prosper and that is the town in which you live.

THAT a good way to boost the home town is to buy from the local business concerns who advertise in local papers.

THAT local advertisers are the people who lead in the things that keep a town moving forward in the march of progress.

WHYTE & ORR LIMITED - - Wetaskiwin

And then the so-called Hertzian waves, those great slow, galloping throbs used in wireless telegraphy. Last and incredibly the slowest waves of all were those from lightning,

Then people discovered that the soft flickering glow of the mysterious tube was dangerous. The hands and arms of the operators and the skin of the patients broke out in a kind of smouldering sunburn, the color of which was not the familiar scarlet pink of the bathing beaches, but a lurid red. The burn was slow to appear; often it did not show until weeks or months after the first exposure. It was still slower to heal. Instead of peeling off and healing over quickly, the burned skin broke into deep cracks, and the cracks turned into sores that resisted all treatment. So that, even if the X rays had cured the patient of his original disease, he had to spend

One after another dozens of operators all over the world became aware that they were in the grip of an incurable disease. The germ can cause cancer—measles can cause cancer—cancer means crab in every language—but fastened on their hands and feet. But not one man faltered; looking death calmly in the face, they went forward like shock troops in the greatest battle for the relief of suffering. Not only was there no single deserter, but there came such swarms of eager volunteers that every gap in the ranks was filled, and the half company grew into a full company, and the full company into a battalion. Many are already destined to almost every month claim its new victim; yet the work goes on.

It is hard to imagine a more bitter travesty of our hopes than that these same rays that have helped cancer

The devoted band of heroes who bore the first brunt of battle have surely not died in vain. Few indeed of the Arnold Winklerfieds of science will have a more triumphant moment than they. Already the X rays that slew them have been used almost to double our power to discover what is happening in the body. Our whole modern treatment of fractures is based on the use of X rays and would be impossible without them. During the war the service that they rendered

Excluded in Alberta:

For every death from the X rays among the operators there have been

caused perhaps ten cases of severe anaemia, some of which make the sufferer a life long invalid. And from the blighting effect of the rays on certain other glands even more unexpected and dismaying disabilities have appeared among the X ray workers. But the blood of the martyrs is the seed of science, as of the church, and in spite of obstacles the superb movement for the relief of human suffering goes triumphantly forward.

NEAR TELEPHONE BUILDING PEARCE ST

Did you ever think of advertising as multiplying yourself as many times as you have created a thought by this means in other persons? You can speak to comparatively few individuals, but you can talk to hundreds and thousands of people through the medium of advertising. The advertising dealer has been talking to numbers of people all through the year. He doesn't know how far his building or repair work ideas have spread nor does he know all the people in whose minds they have lodged. Some may be living twenty miles from his office and, perhaps, so strongly has he impressed them with his service ideas, they will write him or drive over to investigate what he has to offer.

Ratepayers should note that by By-law of this Municipality, the laying out of Gopher Poison is compulsory.

E. N. Rattray,
Secy-Treas.

AUCTION SALE

Alex. Cummings, having sold his farm, has reserved Friday, April 24, as the date of his auction sale, when he will offer:

14 head of horses.
40 head of cattle, including 20 milk cows.

15 head of hogs.
Poultry, full line of machinery, and household effects, etc.

See posters for further particulars.

Every once in a while we are accused of missing some piece of news because it did not appear in The Times. We know about it but passed it up. Usually the "news" is something which, by its publication, could do no good, and only would embarrass someone—and is interesting only as gossip. Don't criticize The Times if it doesn't print all the news. Some day you may be tremendously glad it didn't.

NURSERY STOCK

To the People in and around Wetaskiwin—

Do you know that annually from \$800.00 to \$1500.00 is sent away from the city and surrounding district for nursery stock, and the most of it is useless and will not stand our climate. If you would spend this money with P. C. Peterson & Sons, you would help home industry, and leave all this money at home.

You can drive to the Nursery and see everything grow right here.

We have some thirty varieties of perennial flowers, beside all the hardy shrubs, such as roses, lilacs, spiraea, honeysuckle, caragana, flowering crab, in fact, everything that is recommended by your experimental farm at Lacombe. Call at the Nursery, or phone R4005, and we will give you prices.

Visitors are always welcome, and you will not be urged to buy stock, but we will give you all the information that we can.

Yours for beautiful homes,

P. C. Peterson & Sons
P.S.—We specialize in Herbert Raspberries. 4-6tn

AUCTION—For satisfaction and service, get Mitchell the Auctioneer, Member A.A.A. Auction sales conducted anywhere. Phone 15, Millet.

NOTICE

WILLIAM FLEURY, formerly of Griffin Creek Settlement, Alberta.

Take Notice that Murdoch Martin has through his solicitor, Messrs Short and Cross, commenced action claiming payment of the sum of \$3725.92 being the amount due under a certain mortgage covering the North West Quarter of Section 30 in Township 22 in Range 24 West of the 10th Meridian, made by you in his favor and for sale purposes and foreclosure or such other relief as to the Court may seem just;

And Further Take Notice that unless a statement of defence or demand of notice is filed in my office at the Court House, Edmonton, and served on the plaintiff's solicitors on or before the 16th day of May, A.D. 1925, the plaintiff may apply for judgment and for any other order to which he may be entitled to in this action without further notice to you.

Published pursuant to the order of A. Y. Blain, Esq., K.C., Master in Chambers at Edmonton.

Dated at the City of Edmonton in the Province of Alberta, this 14th day of April, A.D. 1925.

EGG GRADING IS OF GREAT ASSISTANCE

A consideration of egg grading occupied the attention of the agricultural committee of the house of commons at a recent session. Criticism was made by members of the established grades, claiming them to be confusing to the housewife. One member instanced getting inferior eggs that were sold to him as Number One which he naturally expected would be of the best quality. This grade in reality is third from the top. Mr. W. A. Brown, chief of the poultry division of the live stock branch, explained how the present grades were agreed upon. It was only after repeated conferences in western Canada, the maritime provinces and at Ottawa, of wholesalers, retailers, producers, women's organizations and government officials that the grades were adopted. These are "Specials," "Extras," "Firsts," and "Seconds," "Specials" and "Extras" Mr. Brown explained, are the product chiefly of specialist poultry keepers who give the greatest attention to feeding, gathering the eggs as early as laid and get them into consumption almost immediately. These constitute a small factor on the market. "Firsts" constitute the great bulk of the better class of eggs and it is from these that most of the household supplies are obtained. "Seconds" fall below these but still are useful for ordinary purposes.

Egg grading, it was brought out, has proved of great assistance for the export trade which now takes over eggs in large quantities—2,711,460 dozens in 1924—with the assurance that they are as represented. Its value to the home market is equally helpful to the industry because it is leading to a gradually increasing consumption. In 1901, it was explained, Canada's consumption per capita was about 15 dozens. In the year 1921 it had risen to 21 dozens and last year to 26 dozens per head. The Canadian people are now approaching a consumption of an egg a day and when this is reached we shall require about 270 million dozens to supply our wants. Enterprising retail merchants who are taking full advantage of selling by grade are rapidly adding to their turnover of business. This influence promptly reaches back through the wholesaler to the producers, who are finding it to their best advantage to take care of their egg output and market it with the least possibility of deterioration.

STRAIGHT PARTY VOTE DEFEATED DAVIDSON'S BILL

The government on Monday night defeated by a straight party vote a proposal by Davidson, independent member for Calgary, to appoint a special committee of the legislature to make a detailed survey of revenue and expenditure with the object of decreasing expenditures and increasing revenues and effecting greater efficiency in the administration. The resolution was supported by the Liberal section of the house and the independent members.

J. C. Bowen, Liberal member for Edmonton, intimated that the resolution was a want of confidence motion and for this reason he was in favor of it.

Some of the back-benchers who were evidently enjoying themselves were heard to say, "Agreed."

"I think some of you should be agreed," Mr. Bowen commented.

Continuing his attack the speaker said the government had made no effort to fulfill its promises to the public. He contended that it had not been efficient.

Robert Marshall, Liberal member for Calgary, also severely attacked the financial policy of the government pointing out that the revenue was increasing and there was still a deficit of \$368,000 this year. He charged the administration with being inexperienced and incompetent.

The Hon. Chas. Mitchell, leader of the opposition, also supported the resolution on account of the fact that it was a want of confidence motion.

The Hon. Geo. Hoadley, minister of agriculture, replied to some of the speeches from the opposition side, declaring that there had been no constructive criticism. He contended that the mover of the resolution had been very fair in presenting his proposal for the appointment of a committee to investigate the question of revenue and expenditures of the province.

INQUIRIES FOR LAND

Numerous inquiries are being received from the United States and other parts of Canada, asking the Edmonton dominion land office for information on homestead prospects and agricultural opportunities. The majority during the past few days have had regard to the Peace River and Grande Prairie districts.

MENNONITES IN WEST

Several hundred Mennonite farmers who came to Canada last year moved west this spring and have located on land in various parts of the country. They will be joined shortly by another large contingent from southern Russia. Extensive tracts of land have been purchased for the establishment of colonies in the three prairie provinces, but particularly in Saskatchewan and Alberta. One purchase comprises 30,000 acres, situated north of Vermilion and east of Edmonton, in central Alberta, on which it is planned to place 180 families of Anglo-Saxon stock. Another tract of 266,000 acres in the same part of Alberta has been acquired by an Old Country syndicate which intends to colonize the land with farm folk from Europe. Other tracts have been purchased for large parties of Hungarians and Russians of the Mennonite sect.

INCREASES AT JASPER

Major Fred Brewster famous mountain guide of Jasper Park, Alberta, states that there has been an immense increase in wild animal life in Jasper Park since it was made a game sanctuary. During a census taken last year of wild goats, caribou, bighorn sheep, elk and other animals, over 5,000 rocky mountain sheep were actually counted, while unprecedented numbers of goats were seen. There was also a noticeable increase in both the caribou and elk herds. The overflows of game from the park to adjoining unprotected areas furnishes good hunting for sportsmen. Major Brewster states that quite a number of big game hunters from the south and east will hunt in the Alberta mountains this year in the vicinity of Jasper Park.

ALBERTA PHONES

Alberta people will soon be able to hold phone communication with New York, San Francisco and other points in the United States. Within the next three months connection will be established between the Alberta government's phone system and the transcontinental phone system in the United States, by means of three long distance lines which are to be brought to the border of the province by way of the Mountain States' phone system in Montana. This will provide almost continent-wide phone connection for Alberta.

\$5000.00 in Cash Awards to the Boys and Girls who render the best First Aid Service in 1925

Call at this store this week—during Boys and Girls First Aid Week—and ask us about this wonderful offer made by Bauer & Black.

Perhaps this membership in The Legion may be the means of enabling you to save a life—be- sides winning one of the ten-dollar gold pieces!

COOKE DRUG COMPANY Wetaskiwin

REAL ADVICE

There recently appeared in the advertising columns of a popular newspaper, an offer, for one shilling, of a recipe by the use of which the hands would become soft and beautifully white. Many thousands of girls responded, and in due time they received a piece of paper containing the following words, which could not be bettered: "Soak the hands three times a day in dishwater while mother rests."

There is not a man or woman in the district who cannot get two dollars' worth of good out of this paper every year if they will but read it. The advertisements contain news value every week and the classified advertisements often point the way to clever buying or an opportunity for convenient disposal of property. Sale announcements are alone worth the price of the paper. The news is free.

SKIN DISEASES Eczema, Salt Rheum RELIEVED BY USING

Burdock BLOOD BITTERS

Mrs. J. Arnscault, Belle Isle, N.S., writes: "Having been troubled with eczema on my hands for over five years, and trying everything I could think of, including doctors, but without any relief, a friend advised me to take B.B.B. After having used two bottles of your wonderful medicine I was relieved of my trouble. That is now a year ago, and I have not had the slightest sign of it since." B.B.B. is manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

ESTIMATED EXPENDITURES FOR 1925 COMPARED WITH LAST YEAR

At a recent meeting of the city council the estimated expenditures for 1925 as submitted by the different committees were approved. They provide for total expenditures of \$970,712.46. The actual expenditures for 1924 amounted to \$105,168.00, so that the ratepayers of the city will be called upon for \$14,456.14 less than last year, which means a considerable reduction in the mill rate, based on the present assessment, and is brought about by careful management and the application of sound business principles.

The net controllable expenditures are estimated at \$25,540.00, being

Salaries and General Expense	
Auditors	\$275.00
Council's remuneration	\$15.00
City Clerk and Assessor	125.00
Portion charged to Gen. Ac.	1200.00
Office staff—	
Portion charged to Gen. Ac.	500.00
City Solicitor	200.00

Here and There

"Canada has a fine record of musical and artistic students who work under the auspices of the Royal College of Music," says Sir Hugh Allen, director of the London institution, who is making a tour of Canada in the interests of the College.

Canada exported 143,595,500 pounds of wool during February, of which 133,891,000 went to the United States and to Great Britain, none. Our newspaper exports had a monetary value, in the same month of about seven and a half million dollars.

Two hundred and sixty thousand acres of land in central and northern Alberta will be settled by the British Land Settlement Corporation, it is announced. They are located north of Edmonton and north of Vermilion to Wabunan, west of Edmonton.

Approximately 750,000 tourists, apart from delegates to conventions, visited Montreal last year by railway, steamer and automobile, according to an estimate compiled by the Montreal Tourist and Convention Bureau. It is anticipated that the influx for the current year will be even greater.

Geraldine Ferrar, famous prima donna, who gave a recital of Carmen in Ottawa and Montreal recently, had a run in with the U.S. Customs at the border on her return to the United States. It was claimed that champagne and fine wines were found stored in the piano of her sumptuous private car, but the great singer says it was only near-beer.

England's great military spectacle, the Aldershot Military Searchlight and Torchlight Tattoo, which is held annually in aid of the Aldershot Command Charities, is being presented this year from the 18th to the 20th of June and will, as usual, be contemporaneous with Ascot Week. The special feature is to be a Pageant of Battle which will recall some of the famous engagements of the British Army. Nearly 100,000 patrons attended last year.

To enable French-Canadian students to become acquainted with Western Canada, the Université de Montréal has organized a 28-day trip to the coast from August 1st to July 1st. They will pass through Winnipeg, Regina, Moose Jaw, Calgary, Edmonton, Banff, Vancouver and Victoria, with stop-overs at Lake Louise, Field, Glacier, the Fraser Canyon and other beauty spots of the Canadian Rockies.

Student tours, operated by the Canadian Pacific in conjunction with McGill University, are to be extended this summer to include students from the British Isles. Hereafter, these tours have been restricted to scholars in other parts of Canada and in the United States. As Montreal is regarded as an ideal centre for the study of the French language, it is anticipated that the new project will attract many visitors to the Canadian metropolis.

The body of Dr. Sun Yat Sen, President of Southern China lay in state in a wonderful blue-lit old Temple near the "Altar of Heaven," during the long drawn out ceremonies at Peking attendant upon his interment. Through the courtesy of the government the lie was viewed by a large party of Canadians and Americans touring the world on the Canadian Pacific S.S. "Empress of France." They were also invited to attend the final burial rites which, with a wealth of colorful Chinese ceremony took place later in the Western hills.

This result is extremely satisfactory to the Mayor, Aldermen and City Officials, and the ratepayers must be indeed gratified at the prospect of a lighter tax burden for 1925, and if the

FIRST FORTNIGHTLY GOVT CROP REPORT

Issued by the Department of Agriculture, Edmonton, April 11, 1925

Work on the land in preparation for the 1925 crop is now fairly general throughout the province. Farmers in the southern portions of the province were able this year to obtain an unusually early start on the land, and operations in most districts of the south have been in full swing for a week, with seeding in progress at a few points. In the central and northern districts the start has been somewhat later, but work will be general in the coming week in these districts and seeding will also start at a few points next week. Spring operations this year are fully two weeks earlier than last year, when work on the land did not commence until the latter part of April.

Throughout the entire province soil conditions are reported to be very satisfactory. The heavy snows of the past winter ran off gradually and the land received considerable benefit from the moisture, with the result that practically all districts have sufficient moisture to germinate the new crop. The report from the south-eastern district is that the land is better supplied with moisture than for some years.

Present indications are for very little increase in wheat acreage this season. In the south-eastern districts there will be a reduction in wheat acreage. In the irrigated districts surrounding Lethbridge, the farmers are giving their attention to the planting of sugar beets in preparation for the operation of the new sugar beet factory, and there are now upwards of 6000 acres ready for this crop. Greater attention is also being given throughout the south to corn production, and the acreage of this crop will show a considerable increase over last year. In the other parts of the province the tendency is not to increase the wheat acreage to any great extent.

There is a brisk demand for farm labour, but thus far the employment bureaus have been able to keep pace with this demand.

Livestock on the farms in the south-eastern part of the province is in rather poor shape, but seems to have survived the winter fairly well in most other districts. The prospects for pasture for stock are good.

LACOMBE STEERS BRING TOP PRICE

Calgary, April 9—Two hundred and eighty-five head of fat stock were disposed of at the sale held at the stock yards Tuesday afternoon in conjunction with the fat stock show.

The top price of the sale was paid to J. Henderson, of Lacombe, when W. P. F. Fleming paid \$9.00 per hundred for 20 head of steers. The total weight of the carload was 27,270, the heaviest load at the sale. This load won the third prize in the class for the best 15 head of finished steers at the morning show. First prize in this class went to a carload owned by W. P. F. Fleming, but they were not placed on sale having been previously billed for the Edmonton show. A carload owned by George Tait, of Warren, Man., was awarded second prize in this event and these cattle were also billed for Edmonton.

The second highest price of the sale was received by W. W. Watson, of Evans, when he received \$8.90 per hundred for five steers which won fourth in the class for the best five finished steers, 1199 to 1200 pounds. First place in this event was won by Paul Gabriel of Eskine. E. M. Whitehead's five steers won second place in this event and he received \$7.50 per hundred for the five steers which got fifth place. Five steers owned by George Lesky, of Carstairs, were sold at the rate of \$7.75 per hundred.

The name and figures on your label tell you the month and year your subscription is paid up to.

ANNOUNCEMENT

Having purchased the Angus Theatre, the new management wishes to announce that their openings will be

MONDAY AND TUESDAY, APRIL 20th, 21st.

"THE THUNDERING HERD"

WILL BE FEATURED

It is not an ordinary Western but a thrilling romantic masterpiece—Zane Grey's latest.

The wild stampede of 2,000 Buffalo, the screaming attack of 1,500 full-blooded Indians, the thrilling escape of Lois Wilson over the frozen prairie behind fear-crazed mustangs, the heroism of Jack Holt, the comedy of Raymond Dalton, the villainy of Noah Berry are features which will appeal to all.

NO EXTRA CHARGE FOR THIS GREAT PICTURE

The Management earnestly hopes to merit the patronage of the City and Country, and will at all times endeavor to supply the needs of the theatre-going public with the best in pictures.

HILLSIDE

Mrs. H. Marr has returned home from Edmonton where she has been under a doctor's care for a few days.

E. H. Hoskins left last Monday evening for Manitow, Man., to attend the funeral of his brother, Harry, who passed away on Sunday evening.

Master Lyle and Kenneth Marr are spending the Easter holidays with their mother at Edmonton.

Miss Hamilton is attending the teachers' convention at Edmonton this week.

Miss Miller has returned to her home at Crooked Lake after a week's visit with her sister, Mrs. H. G. Young.

Jimmie Hoskins is spending the holidays with his grandparents at Edmonton.

A surprise party was held at the home of Mr. and Mrs. L. W. Marr on Tuesday evening last. All report an enjoyable time.

The Junior U.F.A. and U.P.W.A. will meet at the home of the president Mrs. K. Schmitt, on Saturday evening.

Mr. Hamilton, of Edmonton, who spent the winter with M. J. Hovos & Son, returned home Saturday.

DUHAMEL

The regular monthly meeting of the Duhamel C.W.L. will be held at the home of Mrs. P. Teutman on Saturday afternoon, April 18, at three o'clock. A full attendance is requested.

The many friends of Mrs. Dr. Dugden will be sorry to hear of her ill but it is hoped to see her around again soon.

A large number from our district attended the Uppshaw sale Thursday.

Mr. A. Bourque of Ryer, who passed away at the Courches' hospital on "Charley," was laid to rest in the Duhamel cemetery Saturday.

Mrs. and Mrs. Ralph Schmitt spent Easter at the home of the latter's parents, Mr. and Mrs. Ed Goucher.

Mrs. John Martin, Sr., is visiting her daughter, Mrs. Daly, at Chinook, Alberta.

Our snow drifts have all disappeared and the roads are drying up. Cars will be able to get through in a few days.

The Johns-Elkerman wedding dance will be given in the Hamilton school on Tuesday, April 14.

BRIGHTVIEW

The Brightview Water League will hold a basket social at the Brightview school on Friday evening, April 24. Ladies are requested to bring baskets. Everybody welcome.

GWYNNE

The April meeting of the Gwynne U.P.W.A. was held at the home of Mrs. Robt. Inglis on Saturday afternoon, April 4. There was a very good attendance and everyone was interested in the meeting.

It was decided to buy curtains and curtain rods for the Roseland school and to hire out the local's cups at 10c per dozen, the persons hiring same to be responsible for breakages.

The papers on "Mother's Day" by Mrs. Ochsner and "Current Events" by Mrs. Peters were very much appreciated.

At the next meeting Mrs. F. Freeman will give a paper on "The Cultivation of Flowers on the Farm" and Miss Farnham a paper on "Current Events."

The next meeting will be held at the home of Mr. Cole on Saturday evening, May 2nd. Visitors are welcome.

The Times classified columns are at the command of everyone and provide the most inexpensive, sure and reliable method of locating lost articles or animals, finding vacant positions, renting or selling houses and acres of other purposes.

***Don't forget the basket social and dance in the Lone Ridge Hall at 9 p.m. on April 17, under the auspices of the organ fund of Rapid Creek school. Everybody welcome. Ladies are requested to bring baskets. The Scott orchestra in attendance.

***Big Bargains on Dollar Day at The Lawson Store Saturday.

***Friday and Saturday of this week at the Angus—This is Mr. Dunphy's last show in Wetaskiwin and is his treat to the patrons and friends by showing one of the big specials "The Painted Lady" with all star cast, at popular prices. This is one of the biggest 1925 action pictures yet produced.

***Flannellette Blankets, 72x54, the biggest size, the best quality. Big special, \$2.50 a pair, at the Lawson Store.

British Boys Anxious to Come

Many applications are being received by the Overseas Settlement Board from British youths who are anxious to come to Alberta to learn agriculture under the Headley scheme. During the winter season just closed some sixty young men were trained at the Vermilion school of agriculture under this scheme. Next season it is planned to distribute the young men who may come among the three schools of agriculture at Vermilion, Oils and Claresholm.

Grade XXXVI — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XXXVII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XXXVIII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XXXIX — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XL — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLI — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLIII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLIV — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLV — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLVI — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLVII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLVIII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade XLIX — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade L — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LI — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LIII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LIV — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LV — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LVI — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LVII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LVIII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LVIX — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LX — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LXI — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LXII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LXIII — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LXIV — (over 75 per cent) — Mildred Nystrom, Amelia Knack, Mary McLeod, Alex. Vars, Harry Moore.

Grade LXV — (over 75 per cent
